Schema	 The technical drawing consists of two views of a padlock. The left view is a front view showing a circular body with a diameter dimensioned as 'A'. A smaller circular handle is positioned at the top, with its diameter dimensioned as 'D'. The distance from the top of the handle to the top of the body is dimensioned as 'B'. The distance between the two vertical supports of the handle is dimensioned as 'C'. The total height of the body is dimensioned as 'H'. The right view is a side view showing the profile of the padlock, with its length dimensioned as 'E'. The text 'France-Cadenas' is written vertically on the side view, and the letter 'P' is placed to the right of the drawing.
