Caractéristiques Techniques

A - Largeur du corps (mm)	415
F - Hauteur du corps (mm)	460
L - Longueur (mm)	600
Schema	 The image contains two technical drawings of a rectangular tool box. The left drawing is a front view showing two circular handles on the top surface and a small rectangular label with the word 'DAKEM' on the front panel. Dimension lines indicate the length 'L' at the bottom and the height 'F' on the right side. The right drawing is a side view showing the depth of the box, with a dimension line at the bottom labeled 'A'. The box has a slightly raised top edge and a recessed bottom edge.
